I am an over the road truck driver. The new traffic and weather information has been a God-send.

As I am NOT a local resident of the involved cities, the Satellite Radio service is NOT replacing local broadcasts for me; as I DO NOT HAVE THE LOCAL RADIO STATIONS MEMORIZED for all these cities.

I AM PAYING A FEE FOR THE PURCHASE OF INFORMATION AND SERVICE. IT IS TOTALLY UNFAIR TO LIMIT THE SERVICE I CAN BUY.

THIS IS AMERICA; NOT THE SOVIET SOCIALIST REPUBLIC OF NAB !
